WHAT WE DO AT THE STUDIO

1 Hour Holiday Program

As part of our yearly program, we provide 1-hour holiday lessons throughout the year.

Student of the Term Awards

A deserving recipient from the Piano and Guitar lessons, who has demonstrated exceptional dedication and potential, will be awarded this prestigious prize. Along with a certificate, the winner will also receive a prize in recognition of their hard work.

Practice Champions

At the beginning of the term, students will be provided with a practice sheet. If they diligently complete three boxes per week for each week of the term, they will have the opportunity to redeem a prize at the end of the term. This serves as our way of recognizing and rewarding their dedication and effort.

Music Competitions in Term 1 and 3

Our studio hosts a biannual music competition during Terms 1 and 3, where students are tasked with learning a song, filming their performance, and submitting it for consideration alongside entries from all our teaching locations. These competitions have included the Choice Your Song Competition and Movie Theme Competition in the past. This exciting event allows us to showcase our students' talents while also providing an opportunity for them to observe videos of other participants.

End of year Raffle Prizes

At the end of every year we conduct a raffle draw featuring a variety of music-related prizes. Throughout the year, students are rewarded with raffle tickets for exhibiting positive behavior, actively participating in lessons, and meeting academic goals. Our selection of available prizes includes an Electric Guitar, Keyboard, and other valuable music items.
